

## AUTHORIZING SUIT BY SENATE COMMITTEES

85

*Resolved*, That hereafter any committee of the Senate is hereby authorized to bring suit on behalf of and in the name of the United States in any court of competent jurisdiction if the committee is of the opinion that the suit is necessary to the adequate performance of the powers vested in it or the duties imposed upon it by the Constitution, resolution of the Senate, or other law. Such suit may be brought and prosecuted to final determination irrespective of whether or not the Senate is in session at the time the suit is brought or thereafter. The committee may be represented in the suit either by such attorneys as it may designate or by such officers of the Department of Justice as the Attorney General may designate upon the request of the committee. No expenditures shall be made in connection with any such suit in excess of the amount of funds available to the said committee. As used in this resolution, the term "committee" means any standing or special committee of the Senate, or any duly authorized subcommittee thereof, or the Senate members of any joint committee.
